

## Creating Effective Online Assessments in ELT

Covid-19 has put nations to test. Almost everything went on halt, but life had to go on, so too learning and teaching. Transition from face-to-face teaching to digital delivery of lessons did not allow most of the students, parents and teachers to accept the 'The Normal' initially. Among many challenges, the biggest challenge in teaching digitally has been the assessments. This webinar will discuss the challenges of online assessments and strategies of creating and adapting effective online ELT assessments in particular.
