

“Do I Need It?”

This webinar, “Do I Need It?” highlights the critical role of the delete key in enhancing communication through concise and impactful writing. Participants will gain practical insights into identifying and removing filler words, redundant phrases, and vague terms to streamline their sentences with precision. By leveraging tools like CTRL+F, the session offers strategies for simplifying constructions, eliminating unnecessary elements, and replacing overused words with more effective alternatives. Emphasizing clarity and coherence, this session empowers writers to refine their message, improve readability, and craft compelling, professional narratives.

***Aisha Khan** is an experienced English language educator with over 6 years of teaching experience in multiple universities. She has an expertise in qualitative research design, program design, and integrating educational technology into the classroom. She holds an MPhil in Applied Linguistics and has published research papers exploring the use of multimodality in language teaching, a key area of her academic interest.*
