

ELT UNLOCKED: POWER OF REFLECTION

Power of Reflection focuses on how reflective practice can truly empower English Language Teachers to grow in their profession. Teaching today goes beyond simply delivering lessons, it requires ongoing self-check, flexibility, and creativity. This session will share practical ways teachers can bring reflection into their work, such as journaling, exchanging feedback with peers, observing classrooms, and listening closely to learners. Through reflection, teachers gain fresh perspectives, refine their lesson planning, and connect more meaningfully with their students. Reflection also helps bridge the gap between theory and real classroom practice, turning everyday challenges into opportunities for growth. The webinar will explore the reflective cycle; plan, act, observe, and reflect, as a simple yet powerful tool to make teaching more responsive and learner-focused. In the end, participants will see how reflection strengthens not only their professional identity but also enriches the language learning journey for their students.

Arshian E Orooj, a Cambridge Certified Trainer, CPD Standards UK-certified in Curriculum Development, and proud SPELT member, brings over 25 years of progressive experience in education. Currently serving as Principal, she is recognized for her expertise in curriculum design, teacher development, and student-centered learning. She has also contributed to national education projects as a Master Trainer and Academic Content Developer, designing training programs, structured lesson plans, and digital learning content to enhance teaching and learning outcomes.
